

CBD454HD01—Drum Trolley

Conquer Heavy Drums with Ease: Introducing the 450kg Steel Drum Trolley!

Stop struggling with heavy drums! Our premium drum trolley tackles 450kg loads with unwavering stability, thanks to its **robust steel frame construction**. Manoeuvring is a breeze, even in tight spaces, with **smooth-swiveling rear castors**.

Safety is paramount: Integrated **security beak clamp** to keep your drums firmly in place, minimising the risk of accidents. This versatility extends beyond the material – handle both **steel and plastic drums** with confidence.

Ideal for:

- Warehouses
- Manufacturing facilities
- Distribution centres
- Chemical plants
- Anywhere heavy drums need transporting

Upgrade your drum handling to effortless efficiency. [Buy your heavy-duty Drum Trolley today!](#)
