

GT600S01 - Galvanised Tube Trolley

6 wheel hard wearing heavy duty single deck stock trolleys that have been specifically designed to remain extremely manoeuvrable whilst carrying heavy loads.

Fitted with 200mm fixed centre wheels and 125mm swivel castors to each corner (with this design there is slight light rock from end to end built into the trolley to ensure that the centre wheels are always in contact with the ground).

This provides a low push effort and good carrying capacity due to the large centre wheels as well as excellent manoeuvrability because of the swivel castors.
