

## RT404501 — Utility Trolley

---

- **Built to Last:** Constructed from tough plastic, this cart is impervious to dents, scratches, and rust. It withstands everyday wear and tear, ensuring long-lasting performance.
- **Easy Cleaning:** The smooth plastic surfaces make cleaning a breeze. A quick wipeover is all it takes to maintain its pristine condition.
- **Unparalleled Mobility:** Equipped with four 120mm castors, this cart moves effortlessly across any surface. The swivelling action of the castors allows for smooth manoeuvring, even in tight spaces.
- **Ample Storage:** The two spacious shelves offer a total weight capacity of 230kg, accommodating a variety of items. The flat-top utility trolley design makes placing or removing items on the trolley easy.
- **Comfort and Convenience:** The easy-grip raised handle at the rear provides a comfortable push and control position, even when fully loaded.
  - **Versatile Applications:** This cart is suitable for a wide range of uses, including:
    - **Food Service:** Transporting ingredients, plates, and kitchen supplies.
    - **Warehouses:** Managing inventory, storing tools, and moving materials.
    - **Factories:** Organising components, transporting products, and maintaining cleanliness.
