

MHSFGC1501—Forklift Goods Cage

This innovative cage is designed to streamline your storage and movement of furniture, white-goods, and other bulky items, making your work and life easier.

Australian Standard Compliant: Manufactured in accordance with AS 2359.1, the FGC15 guarantees quality and peace of mind.

Ground to Mezzanine: Effortlessly move goods between different levels with ease, perfect for warehouses, factories & worksites.

Features for Effortless Handling:

Easy Access Ramp: A hinged front ramp allows for direct trolley access, eliminating the need for heavy lifting. No more straining your back or struggling with awkward maneuvers.

Secure Hold: Once loaded, simply lock the ramp in the vertical position and secure it with the two safety chains. Your goods stay put, even during transport.

Durable Construction: Zinc sides and an enamel paint finish on the base provide weather resistance and long-lasting protection.

Flatpack: Assemble the cage yourself on-site for cost-effective flexibility. Or if required you can request assembly.

Specifications:
