

AC00301 - Aerosol Storage Cage (180 Cans)

Maximise Efficiency With Secure Aerosol Storage (Up To 180 Cans)

This **Aerosol Storage Cage** provides a robust and cost-effective solution for managing a large volume of aerosol cans (up to 180). Perfect for workshops, factories, and other industrial environments, this cage keeps your aerosols organised, protected, and readily accessible while adhering to safety regulations.

Benefits Of The Aerosol Storage Cage:

- **Enhanced Safety:**
 - **Projectile-proof construction** safeguards against potential accidents.
 - **Natural ventilation** complies with AS4332:2004 for safe gas storage.
 - **Clear warning signage** adheres to AS1216 and AS1319 standards.
- **Durable and Secure:**
 - **Heavy-duty steel construction** ensures longevity, even in harsh environments.
 - **State-of-the-art powder coat finish** provides superior weather resistance.
 - **Padlockable door** and **bolt-down plates** offer enhanced security.

Scalable Storage: While this cage offers a 180-can capacity, we also offer a range of sizes to suit your specific needs. Custom sizing is available for unique requirements.
